2018 Annual Charity Event

Benefiting...

This August Catalyst Financial will be hosting our **5th Annual Charity Event!** As always, this is an event that you don't want to miss!

Each year we desire to provide an event that highlights a specific need in our community and offers an opportunity to raise money and awareness for that worthy cause. And what better way to raise money than by having fun together?! Our Annual Charity Event includes a delicious banquet, golf for those interested, raffle prizes, and great opportunities to support our featured and our past charities.

This year, our featured charity is Sanctuary Food Pantry. The Food Pantry, located in Gresham on Orient Drive, provides food and household support to the East County community year round. Volunteers work daily serving approximately 500 people every week. Their reach extends in three ways: By providing grocery items to individuals and families who need a 'hand-up' in weathering various life situations, by partnering with 19 other non-profits who share their same passion for helping others, and by working with local schools to bless families who need additional help to make ends meet.

Sanctuary Food Pantry opened its doors in March 2009. Community need grew quickly as many people in the area struggled financially. In 2013 they opened a 2,000 square foot building to house the pantry. Their goal, and what we will be raising money for, is to extend their reach even farther by opening a secondary building in which they can distribute clothing, household needs, and surplus food. This new building will also provide a place to offer classes teaching homemaking skills, job search support, and personal finance. They estimate the cost of the new building to be \$60,000.

Sanctuary Food Pantry has a great motto, “**Changing the world, one family at a time!**” Let's join them in their efforts this August!

An update from Our Team

It has been a busy time for Aaron's family as they continue to support their kids in sports and academics. This past month,

Aaron and his family traveled to Hawaii to spend a week together soaking up the sun. He also traveled to California with his daughter's dance team to support their performance in Disneyland!

In April, David & Julie took his parents on a trip to celebrate his father's retirement. He farmed in the Central Valley of California for nearly 50 years. It was a JOY

to honor them with a special trip away! They went to a

NASCAR race in Texas as well as Waco to visit Magnolia (Fixer Upper). With Spring here, the RAZ family is busy with gardening, raising piglets, kid's sports, and planning summer camping trips. Oh, and much to the girls delight they added a puppy to the family...Kona!

COMING EVENTS:

August 6th—Annual Charity Banquet & Golf Event

Fall — Evening with the Experts (date TBD)

Pam had an eventful 2017. In April she broke both bones in her leg, underwent surgery, and then rehabbed just in time for a bucket-list vacation with her husband Craig, cruising eastern Canada and the Atlantic coastline, followed by a week in New York City! Craig and Pam are remodeling their home and enjoy cheering on the grandkids at their sporting events. Boating and a trip to California are on the summer schedule.

The best part of 2017 for Ann was the marriage of her daughters in May and December. And the new year started off on an exciting note as they are expecting the arrival of their 7th grandchild! Ann and John spend their free time loving and cheering on their grandkids, and serving at their church.

Last month, Megan and her husband celebrated their 15th wedding anniversary with a big trip to Mexico. It is a rare occurrence for the two of them to vacation without their children, so this was a very special (and relaxing!) trip. Spring has been full of playing outside, sports, and a school play! It has been a fun season.
